

Trade & Developer Partnerships

Nationwide air conditioning and air-to-air heat pump installation for house builders, developers, architects, interior designers, electrical contractors and property investors.

Why partner with Comfort365

- One point of contact from survey to handover, across every site.
- F-Gas certified installers, vetted and verified before joining our network.
- Nationwide coverage - single properties, multi-plot developments and commercial fit-outs.
- Fixed, itemised pricing with no hidden extras.
- Free site assessment before any work is confirmed.
- 5-year workmanship warranty on every installation.
- Repeat-work terms for developers and contractors with ongoing pipelines.

What we install

System	Typical use	Notes
Wall-mounted split	Bedrooms, living rooms, home offices	Heating and cooling, A+++ rated
Multi-split	Whole-home, 2-5 rooms	One outdoor unit, multiple indoor units
Air-to-air heat pump	Year-round comfort	Efficient low-carbon heating
Ducted / concealed	Design-led interiors	Minimal visual impact
Commercial / VRF	Offices, retail, hospitality	Design, install and commissioning

Indicative packages

Package	Best for	From
Essential	One room, single split system	£1,895
Family	Two rooms, multi-split	£2,795
Signature	Whole-home comfort, premium finish	£4,995

Prices are supply-and-install guide prices for domestic projects and are confirmed after a free site assessment. Volume and multi-plot pricing available on request.

HOW WE WORK

A simple process for trade partners

1. Enquiry

Send us the site details, drawings or plot schedule. We respond the same working day.

2. Free assessment

A specification and fixed written quotation, including electrical requirements and unit placement.

3. Scheduling

Installation dates agreed around your programme, with named installers confirmed in advance.

4. Installation

Typically one day per property. Clean working, dust sheets, full commissioning and handover.

5. Aftercare

5-year workmanship warranty, manufacturer warranty registration and optional Comfort Care servicing.

Payment & finance

- Card, Apple Pay and Google Pay accepted.
- Klarna available for domestic customers: Pay in 3 interest-free instalments, Pay in 30 days, or longer-term financing. 18+, UK residents only, subject to status. Terms apply.
- Staged payments available for developments: deposit on order, balance on completion.

Quality standards

- F-Gas certification verified for every installer.
- Public liability insurance checked and monitored for expiry.
- Identity and company verification, including Companies House.
- References and completed-installation photography reviewed.
- Acceptance onto the Comfort365 installer network is not automatic.

Talk to us

Send your project details through the enquiry form at www.comfort365.co.uk and we will respond the same working day.
